Dear Mr Weisberg:

It was thoughtful of you to take time out of your busy schedule to write me that long and informative letter (of course I am aware of your ~~book~~ books and work). I agree that Mr Garrison is not to be taken lightly, and, like you, am most anxious for the Clay Shaw case to come to trial. As you say, this story is just beginning and it will take years to tell. I hope to be around for the final unfolding.

Cordially,

Herb Caen
